

CUSTOMIZE OUR DATA AND SIMPLIFY YOUR BILLING

NEW ENHANCED ACCOUNTING* FEATURE

With our unique new **Enhanced Accounting*** feature, you now have an easier and more reliable way to capture your chargeable costs and simplify bill preparation. All your transactional data can be configured using your own accounting codes and descriptions for downloading into your internal accounting software.

THE CLEAR DIFFERENTIATOR

One of Canada's premier litigation firms, a Legal i Link eservices user required a more robust and dynamic accounting feature that gave them more flexibility and control.

The firm submitted its requirements to our team.

The result: Newly designed functionality that allows anyone utilizing our Full-Serve Solution to download customized data directly into their own internal accounting system.

Only available from Carswell Legal Solutions, **Enhanced Accounting*** provides you with the necessary support to meet your fiscal responsibilities and audit process.

Enhanced Accounting* reduces the need for file manipulation, scanning and photo copying. Accessible from our Legal i Link Finance Menu, this added feature helps you keep track of all your chargeable costs, including disbursements.
